TEACHING

LMC 2400: Intro to Media Studies, Instructor of Record, Georgia Tech, (2022-23)

Teaching an undergraduate level course on Media Studies. The course asks students to analyze media technologies according to their design, social context, and cultural impact, using foundational historical and contemporary approaches.

LMC 6313: Principles of Interaction Design, Teaching Assistant, Georgia Tech, (2022-23)

Leading a graduate level interaction design lab section, conducting portfolio review sessions, giving feedback, and discussing industry careers in Interaction Design.

COSMOS Game Design Program, Instructor of Record, UC Santa Cruz, (2015)

Building lesson plans and teaching game design to gifted high school students as part of the California State Summer School for Mathematics & Science.

FILM 80V: Video Games as Visual Culture, Teaching Assistant, UC Santa Cruz, (2014-15)

Lecturing undergraduates about video games studies and assisting with student work.

HAVC 31: Nude in Western Art, Teaching Assistant, UC Santa Cruz, (2015)

Assisting with undergraduate history of visual art lectures and assessing writing.

ART 80F: Intro to Issues in Digital Media, Teaching Assistant, UC Santa Cruz, (2014)

Teaching undergraduate project-based CSS/HTML, lecturing on foundational issues in digital media.

HAVC 43: History of Modern Architecture, Teaching Assistant, UC Santa Cruz, (2014)

Assisting with written undergraduate work and history of architecture lectures.

MUSC 80C: Electronic Music History & Theory, Teaching Assistant, UC Santa Cruz, (2013)

Assisting with and assessing undergraduate work, exams and papers.

INDUSTRY & PROFESSIONAL

Women, Science, and Technology Undergraduate Learning Community Graduate Advisor, Georgia Tech, (2024-)

Supporting and mentoring the Women, Science and Technology undergraduate learning community; organizing guest lectures with prominent women in STEM fields.

Emotion AI: Promises and Perils, Research Assistant, Georgia Tech, (2025-)

Running AI literacy workshops about the ethical and social challenges of Emotion AI (EAI), where participants prototype with EAI to imagine alternative futures.

Experience Director (Contract), Toyota Global, Tokyo, Japan, (2024)

Directing product strategy and designing vision concepts for Arene OS: Toyota's Software Defined Vehicle Operating System.

Craft & Community Building, Research Assistant, Georgia Tech, (2023-24)

Conducting research with local, Atlanta-based fiber arts communities on the intersections between craft, material process, and technology, to establish cross-disciplinary collaborations.

Experience Director (Contract), Fantasy Interactive, New York, NY, (2022)

Directing research, product strategy and experience concepting for a design visioning project for the future of the Microsoft 365 website.

Code Crafters, Graduate Research Assistant, Georgia Tech, (2021-22)

Conducting research and designing software for Code Crafters, a project that examines the intersection of craft and computation in quilting communities.

Experience Lead, Fantasy Interactive, New York, NY, (2019-21)

Leading UX design and managing client relationships for digital accounts. Directing strategy, research, and design phases for digital products and ecosystems.

Senior Experience Designer, Fantasy Interactive, New York, NY, (2018-19)

Crafting experiences, delivering strategic insights, and leading workshops for a variety of digital accounts and products.

UX Designer, *Code and Theory*, New York, NY, (2015-18)

Designing and developing strategies for digital products, conducting user research, mapping information architecture and taxonomy, and rapid prototyping.

GRANTS & AWARDS

CHI 2026 Honorable Mention Paper: “Reconfiguring through Ruptures: Material Reconfigurations and Un/Making as Tangible Tactics for Queering AI-Generated Histories.” (2026)

Georgia Tech Arts MicroGrant, “Resonant Ecologies: Intersecting Data and Identity in Sonic Landscapes,” serving as PI - \$1K

Georgia Tech Arts Catalyst Seed Grant, “PhotoVoice for Graduate Student Belonging,” serving as student Co-Investigator with one staff PI - \$5K

NSF Division of Social and Economic Sciences Award, “Spatial STS: Building an Inclusive Community for Place-Based Scholarship,” serving as a student Co-Investigator on a team with two faculty Co-PIs and two student Co-investigators (2025) - \$99K

AIAI (Atlanta Interdisciplinary Artificial Intelligence Network) Seed Grant (2024) serving as PI - \$5K

Finalist for the Foley Scholarship, Georgia Tech Institute for People and Technology (2024)

Finalist for the Foley Scholarship, Georgia Tech Institute for People and Technology (2023)

LGBTQIA Graduate Student Leadership Scholarship in Literature, Media, and Communication at Georgia Tech (2023)

Outstanding Graduate Teaching Assistant for Literature, Media, and Communication at Georgia Tech (2023)

Georgia Tech GVU Center 30th Anniversary Exhibition Grant (2022) - \$5K

Georgia Tech President’s Fellowship for Doctoral Students (2021) - \$22K

Florence French Fellowship Fund for Art (2015) - \$1K

University of California Institute for Research in the Arts Mini-Grant (2013) - \$1K

Cornell Council for the Arts Grant (2012) - \$1K

“Queer Data Ecologies” at the Public Art Futures Lab, curator of group show, Atlanta, GA, (April 2025)

“Teaching Queer History through Puzzles in Red [Redacted] Theatre” at the Foundations of Digital Games Showcase, poster, Lisbon, Portugal, (April 2023)

“Button Portraits: Embodying Queer History with Interactive Wearable Artifacts” at Georgia Tech Digital Media Demo Day, group show, Atlanta, GA, (April 2023)

“Button Portraits” and “Red [Redacted] Theatre” at Georgia Tech GVU Center 30th Anniversary Exhibition, group show, Atlanta, GA, (November 2022)

“Friday, October 1st” interactive digital narrative at Electronic Literature Organization Mentoring Exhibition, group show, Como, Italy, (May 2022)

“Gender Equality: Reimagining Our Future Through Art and Technology” at the Kendeda Building, group show Atlanta, GA, (March 2022)

Boston Festival of Independent Games, curator, Boston, MA, (Fall 2018, 2020)

“New Alchemy” at the Digital Arts Research Center, group show, Santa Cruz, CA, (Spring 2015)

“MFA Rejects Show” at the Digital Arts Research Center, curator of group show, Santa Cruz, CA, (Fall 2015)

“It Had to Be With You” interactive narrative at Computer Art Congress 4, group show, Rio de Janeiro, Brazil, (Fall 2014)

“We arrived // Chegamos” at Different Games Arcade, group show, Brooklyn, NY, (Spring 2014)

“Fall Open Studios” at the Digital Arts Research Center, group show, Santa Cruz, CA, (Fall 2013)

“Misplaced” at Olive Tjaden Gallery, group show, Ithaca, NY, (Fall 2013)

“Make Week” at Olive Tjaden Gallery, group show, Ithaca, NY, (Spring 2012)

“Out of Place” at Tjaden Experimental Gallery, solo show, Ithaca, NY, (Fall 2012)

INVITED TALKS

University of North Carolina Charlotte Lecture in Communications Department (February 2026)

Invited guest lecture: "Tangible, Archival, Queering: Exploring Embodied, Critical Approaches for Information Activism in Digital Media."

Kennesaw State University Lecture in Interactive Design and Technical Communications Department (February 2026)

Invited guest lecture: "Tangible, Archival, Queering: Exploring Embodied, Critical Approaches for Information Activism in Design and Human Computer Interaction."

Atlanta Interdisciplinary Artificial Intelligence Network (AIAI) Fall Kickoff Panel (October 2025)

Panel presentation for AIAI Seed Grant awardees at the AIAI Fall Kickoff, moderated by Dr. Lauren Klein and Dr. Brandeis Marshall, Emory University.

Georgia Tech Guest Lecture, LMC 6310: *Computer as an Expressive Medium* (October 2025)

Invited guest lecture entitled, "Queer/Crip Embodied Entanglements: Blurring Boundaries Between Bodies and Environments."

Georgia Tech Guest Lecture Series, LMC 2720: *Principles of Visual Design* (November 2024 - 25)

Recurring series of invited guest lectures on UX/UI Design, establishing a visual Look & Feel, and building design systems for development.

Georgia Tech Guest Lecture Series, LMC 2700: *Introduction to Computational Media* (October 2022 - 25)

Recurring series of invited guest lectures on curatorial practice, professional development, and industry careers in UX and Product Design.

12th Annual Atlanta Studies Symposium (May 2025)

Panel on Teaching Atlanta and the Archives: "Generating Queer Histories: Prompting Critical Reflections on Generative AI in the Archives."

Thinking Critically About Code: A Community Workshop Series (April 2025)

Panel on Representing the Past: "Queer Archival Un/Making: Prompting Critical Reflections on Archives and Algorithmic Mediation," sponsored by the Atlanta Interdisciplinary AI Network.

Georgia Tech Digital Media Lecture Series (February 2025)

Research presentation entitled, "Designing with Ephemera: Queering Tangible Interaction in Archival Experiences."

Northeast Human Computer Interaction (HCI) Conference (May 2024)

Paper Presentation, "Designing an Archive of Feelings: Queering Tangible Interaction with Button Portraits."

Women's, Gender, and Sexuality Studies South Conference (March 2024)

Panel Presentation, "Queer / Crip (Em)bodied Mapping."

Georgia Tech Institute for People and Technology, Foley Scholarship Presentation
(March 2024)

GVU Brown Bag Lecture Series Research presentation, "Designing with Ephemera: Queering Tangible Interaction in Archival Experiences."

National Women's Studies Association Conference (October 2023)

Roundtable Discussion, "Stories from the Street: Representing Pasts and Futures of Atlanta's Old Fourth Ward Through Digital and Tangible Craft."

Charis Books & More: Book Talk & Discussion (June 2023)
